- Take some time to reflect on your intent, implementation and impact from last academic year to celebrate your wins but to also think about improvements for the year ahead.
- You do not need to complete every box. Just record the information that is key to your school's priorities and areas of focus.

Remember - Be clear about how you focused spending on key groups such as SEND, girls and disadvantaged pupils.

<u>Swimming and Water Safety</u>	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
1. Swim competently, confidently and proficiently over a distance of at least 25 metres	78% of children were assessed to swim confidently over at least 25 metres.	Those children not able to swim 25 metres need further support next year.
2. Use a range of strokes effectively (for example, front crawl, backstroke and breaststroke)	All children successful in swimming at least 25 metres were able to use a range of breaststrokes. Improvements seen in children swimming a distance less than 25 metres.	
3. Perform safe self-rescue in different water-based situations	Children confident in safe self-rescue. 78% of children are able to perform safe self-rescue.	Target children who aren't yet able to perform safe self rescue.

Key areas as outlined in PE and sport premium guidance	What went well? Supporting evidence?	What didn't go well? Supporting evidence?
1. Increasing confidence, knowledge and skills of all staff in teaching PE and sporting activities prioritising CPD and training where needed	Staff confidence, knowledge and skills in teaching PE have been strengthened through specialist coaching and collaborative working. Training has been matched to staff needs, improving the quality and consistency of PE teaching across the school. As a result, pupils have benefited from engaging, inclusive and progressive PE lessons.	Seek out further opportunities for CPD
2. Increasing engagement of all pupils in regular physical activity and sporting activities	The school has continued to increase pupils' engagement in regular physical activity through a wide range of opportunities. Lunchtime sports activities, a variety of after-school sports clubs and participation in the Walk to School scheme have encouraged pupils to be active each day. These initiatives have supported healthy lifestyles, increased participation in physical activity and provided opportunities for pupils of all abilities to enjoy sport. 3. Raising the profile of PE and sport across the school, to support whole school improvement	The profile of PE and sport has been raised through participation in local sports festivals, competitions, and EXCEL and Inspire events. Visits from Team GB athletes, including motivational assemblies and fitness circuits, have inspired pupils, celebrated sporting achievement and encouraged healthy, active lifestyles.	
4. Offer a broader and more equal experience of a range of sports and physical activities to all pupils and ensure equal access to sport for boys and girls	The school has provided a broad and inclusive range of sporting opportunities, ensuring equal access for all pupils. Mixed teams represent the school across a variety of events, including events with an SEND focus, alongside participation in both boys' and girls' football leagues. Pupils also attend football festivals designed to encourage greater participation by girls in sport, helping to promote equality, confidence and lifelong engagement in physical activity.	
5. Increasing participation in competitive sport	Pupils have achieved success across a wide range of sporting activities, with individuals competing at county and national level in cross country and athletics. School teams continue to perform strongly in competitions, with notable achievements in netball, swimming, boys' and girls' football, cricket and tennis. These successes reflect the school's commitment to developing sporting talent, teamwork and a positive competitive spirit.
